## AN EX-MAYSVILLE MAN.

Colonel Frank M. Cockrell Died Yesterday at Winona, Minn.

Forty-five years ago Frank Cockrell was one of the best known and most popular hotel men in the Ohio Valley.

He was at one time proprietor of the Goddard House in this city, and was also one of the proprietors of the Broadway Hotel, Cincinnati, Ohio.

With the opening of the Great Northwest he removed to Minnesota, and for some forty years has made his home at Winona, where he followed the hotel business.

What few surviving friends and acquaintances he has remaining here were pained to hear of his death, which occurred yesterday morning.

He was 87 years of age.

Mrs. Kittie Young of this city is a half sister, and Mrs. Nan Browning, formerly of Mt. Carmel, a full sister.

The latter, who has for many years made her home with Colonel Cockrell, is the widow of Dr. William Browning, a brother of Dr. A. G. Browning of this city.

## THE FLEMING CASE.

Court of Appeals Decision in the Kenner-Budley Election Contest.

Though the result of the decision was printed in yesterday's LEDGER, these particulars concerning the case will be of interest:

The Court of Appeals in an opinion delivered by Judge Holton in the contested election case of C. E. Kenner, County Judge, against E. H. Kenner, assessor from the Fleming Circuit Court, held that the duties of a County Causseing Board, in passing upon contested ballots, under our present statute, are not wholly ministerial, but involve judgment and discretion, and that an error of theirs cannot be corrected by mandamus.

The appellee, E. H. Kenner, was the Republican candidate for Clerk of Fleming County at the November election in 1897.

His Democratic opponent was George P. Dudley.

The returns of the Precinct officers showed that Kenner received 1,000 votes, and his opponent 1,807 votes; but there were 20 disputed ballots, and when the County Causseing Board met it counted 7 of these for Dudley and 2 for Kenner, making the result stand Dudley 1,007 and Kenner 1,807 votes, and they accordingly issued the certificate of election to Dudley, the Democratic nominee.

Kenner filed a petition for mandamus against the County Commissioners to recount the votes and issue the certificate to him.

In his petition, the Circuit Court held that three of the disputed ballots should be counted for Dudley and one for Kenner, which would give the former 1,010 votes and the latter 1,810, and it thereupon awarded a mandamus requiring the County Board to meet again and recount the votes pursuant to its judgment and issue the certificate to Kenner.

To this judgment Dudley excepted and appealed the case to the Court of Appeals.

In reversing the judgment of the lower Court Judge Holton said:

"In determining what was the voters' choice the County Board was not to exercise judgment and discretion, and we do not think it proper to require the County Board to recount the votes, after exercising their judgment in the first instance, and then to be required to recount the votes, after exercising their judgment in the second instance, to the effect of a mandamus proceeding for an error of judgment on the part of the County Board, after they have exercised their judgment in the first instance, and then to be required to recount the votes, after exercising their judgment in the second instance, to the effect of a mandamus proceeding for an error of judgment on the part of the County Board, after they have exercised their judgment in the first instance, and then to be required to recount the votes, after exercising their judgment in the second instance, to the effect of a mandamus proceeding for an error of judgment on the part of the County Board, after they have exercised their judgment in the first instance, and then to be required to recount the votes, after exercising their judgment in the second instance, to the effect of a mandamus proceeding for an error of judgment on the part of the County Board, after they have exercised their judgment in the first instance, and then to be required to recount the votes, after exercising their judgment in the second instance, to the effect of a mandamus proceeding for an error of judgment on the part of the County Board, after they have exercised their judgment in the first instance, and then to be required to recount the votes, after exercising their judgment in the second instance, to the effect of a mandamus proceeding for an error of judgment on the part of the County Board, after they have exercised their judgment in the first instance, and then to be required to recount the votes, after exercising their judgment in the second instance, to the effect of a mandamus proceeding for an error of judgment on the part of the County Board, after they have exercised their judgment in the first instance, and then to be required to recount the votes, after exercising their judgment in the ## A SNOWY PRISON. AN ACTIVE ALLY.

A Gigantic Avalanche of Snow Shoots Down the Mountain Side in Colorado.

### ENTIRE TRAIN CREW CARRIED DOWN.

Five Men Were Killed and Six Were Injured, Some of Them Thought to Be Fatally.

Thousands of Tons of Snow Blocked the Railway—A Hundred Men at Work in an Attempt to Remove the Mass Imprisoned in the Snow.

GLENCROFT SPRINGS, Col., Feb. 3.—At 12:30 o'clock Thursday afternoon a gigantic avalanche shot down the mountain side in the canyon of the Grand river on the western slope of Colorado and carried an entire train crew and working gang, 35 men in all, into the bottom.

Special trains were sent to the spot as soon as intelligence reached the headquarters of the Denver & Rio Grande road. In the meantime more than a hundred men were every possible attempt to rescue their fellow beings who were imprisoned in the snow.

The slide was about 200 feet in width, but thousands of tons of ice and snow blocked the railway and made it impossible for trains to pass until a road could be shoveled through the obstruction.

Telegrams were at first delayed on account of the carrying away of the wires when the slide came down. One of the rescue trains had a telegrapher and an emergency instrument aboard and he soon established communication with the outside world. It was the impression at headquarters of the railway in this city that the slide is one of the most destructive that has been known for many years in the Rocky mountains.

The engine, caboose and flanges were carried down before the slide and all the shovellers who were scattered along the track at work were swept before the mighty weight. Trees, rocks and large blocks of ice, which had been formed on the side of the mountain during the winter added to the weight of the avalanche. The slide at the side of the railway track 100 or 200 feet while the side of the mountain at the point where the accident occurred rises 2,000 feet almost perpendicularly.

At 9 o'clock Thursday evening superintendent Sample received partial reports which stated that five men were dead and a number seriously injured. There has been no rail call to check up the crew, as the men are all scattered. The Rio Grande road is in worse shape now than before. Snow is piled on the track at some places 20 feet high. It will take hours to open the blockade.

## GEN. GOMEZ WILL ASSIST THE UNITED STATES IN THE RECONSTRUCTION OF CUBA.

Commissioner Porter Meets Him.

### COMMISSIONER PORTER MEETS HIM.

Gomez Will Co-Operate in Disbanding the Cuban Army and Distribution of the \$3,000,000.

The Mission of Commissioner Porter Greatly Simplified the Returning of the Cuban Soldiers to the Pursuits of Peace.

REMEDIO, Province of Santa Clara, Feb. 1, via Havana, Feb. 3.—(Gen. Maximino Gomez, the commander-in-chief of the Cuban army, placed himself squarely in position Thursday as an active ally of the United States government in the work of the reconstruction of Cuba.

As a result of the conference which Robert P. Porter, the special commissioner of the United States, had with Gen. Gomez, the latter cabled to President McKinley Thursday afternoon assuring him of his co-operation in disbanding the Cuban army and distributing among the Cuban soldiers the \$3,000,000 appropriated for the purpose of enabling them to return to their homes. Gen. Gomez also telegraphed to Maj. Gen. Brooke saying he would accept the latter's invitation to go to Havana.

The success of Mr. Porter's mission greatly simplifies the returning of the military Cubans to the pursuits of peace.

In view of Gen. Gomez's supposed prior attitude of hostility toward the United States, Mr. Porter came here clothed with absolute authority, and the tender of the \$3,000,000 was practically a verbal ultimatum. Had it not been accepted no more ultimatums would have been made.

Mr. Porter made plain the purpose of the government, and was gratified at the ready response of Gen. Gomez. The conference took place at the house here occupied by the Cuban general as his headquarters since coming to town.

In brief, the compact is as follows: First—The Cuban officers in each province shall assist the American officers in disbanding the Cuban army.

Second—That these officers shall at once meet at such convenient point and devise how, when and where the payments are to be made, and arrange any other details.

Third—That the sum paid to each man shall not be regarded as part payment of salary due for service rendered, but facilitate disbandment of the army and relief of suffering and as an aid in getting the people to work.

Fourth—The Cubans shall surrender their arms to the Cuban assembly or to its representative.

Fifth—The committee on distribution shall use its best endeavors to distribute it among the population so that all may secure work.

Sixth—That the \$3,000,000 shall be placed subject to the order of Gen. Brooke and that action in the matter shall be immediate.

Gen. Gomez was tendered a public reception Thursday evening and Mr. Porter was among those present.

## A FINANCIAL BILL.

Republican House Members Hold a Caucus to Determine Upon a Course of Action.

### THE MEETING WAS WELL ATTENDED.

Committee of Eleven Members to Be Appointed for the Purpose of Considering Monetary Legislation.

Their Deliberations Are to Be Submitted at the First Session of the Fifty-Ninth Congress—No Attempt at Legislation to Be Made This Session.

WASHINGTON, Feb. 3.—The republican members of the house of representatives met in caucus at 8 o'clock Thursday night, to determine upon a course of action in framing financial legislation. The meeting was well attended, most of the prominent figures on the republican side of the chamber being present.

Those included Chairman Payne of the ways and means committee and Messrs. Grosvenor, Henderson, Hopkins, Steele, Cannon, Walker, Brooks, Stone, Hepburn, Tawney, Evans, Groat, Hill, Prince, Corlies, Bennett and the rank and file of the republican membership. Speaker Reed did not attend, having previously made another engagement.

Gen. Grosvenor, chairman of the caucus, presided, and Mr. Bennett, of New York, was chosen as secretary to succeed Mr. Hooper, resigned. Representative Henderson, of Iowa, presented the following resolution, which served as a text for all the discussion of the evening:

"Resolved, That a committee of 11 members of the present house of representatives, who are members of the 56th congress, shall be appointed by the chairman of this caucus for the purpose of considering monetary legislation, and submitting their recommendations to a republican caucus at the first session of the 56th congress with authority to confer with a like committee from the senate."

The discussion on this resolution proceeded with much animation for more than an hour. Those who spoke were Messrs Henderson, Tawney, Cannon, Walker, Payne and Hepburn. There was but little difference of opinion on the main point, that it would be futile to attempt financial legislation at this late day in the present session.

The chairman announced that the members of the new finance committee would not be announced present, as some time would be required to learn the wishes of members concerning the hard work likely to be involved in this service, and also to make up a strong organization, thoroughly representative in character.

### CABLE TO THE PHILIPPINES.

It Will Require a Large Sum of Money—Said That \$200,000,000 Will Not Cover the Cost.

SAN FRANCISCO, Feb. 3.—Among the passengers to arrive on the steamer Coptic was John A. Strymer, president of the Pacific Cable Co. In an interview he expressed his hope that the cable would be maintained and operated by the United States government.

He was of the opinion that private capital would take the risk of a governmental control. Mr. Strymer was of the opinion that an American cable can land in the Philippines or on the Asiatic coast without the consent of English companies, which are controlling contracts with the different governments, some of which run until 1904.

Regarding the cost of such a cable Mr. Strymer said that \$20,000,000 would not cover the cost, for the reason that a duplicate cable must be laid; that should but one cable be laid it would surely go wrong at some period, and that the duplicate cable would then come in for use.

### OMAHA POSTAGE STAMPS.

The Last of the Supply Has Been Disposed of From the Post Office Department at Washington.

WASHINGTON, Feb. 3.—The last of the supply of postage stamps issued in commemoration of the Omaha explosion, has been disposed of from the post office department and all that remain of that immense series are now scattered about the post offices throughout the country. On the last order for the department for these stamps, 30,552,570 stamps, the total remaining stock on hand at the department, sent out to 15 post offices. The total value of this final order was \$1,945,656.

The action is denied by the male members of the class, and at a stormy meeting Thursday, demand was made on the faculty for the reinstatement of the doctor.

### GEN. MILES' CRITICISM.

It Stirs Up a Hornet's Nest at Washington and He May Be Relieved of His Command as a Result.

NEW YORK, Feb. 3.—Maj. Gen. Miles is to be relieved of his command as general in chief of the army of the United States, according to a Washington dispatch. The dispatch says:

"The president has borne with Miles' insubordination and attacks upon the war department until patience has been reached to a virtue. He will not be permitted further to back up assaults upon his superiors with the prestige of the highest military rank. With the court-martial of Gen. Egan, it was expected he would subside and let what has past go to the country for what it was worth. But he has evidently anticipated the report of the war investigating board, which Miles knows will be a refutation of his charges, and the general of the army has chosen war instead of peace."

"The president has the right to order Gen. Miles on duty for the good of the service, but if Miles is anxious for a trial he can be accommodated."

PAYMASTER GENERAL STANTON. BANQUET TO LEGISLATORS.

The New Asylum for Incurables at Huntington, W. Va., Dedicated—It Cost About \$200,000.

HUNTINGTON, W. Va., Feb. 3.—The members of the West Virginia state legislature were banqueted here Thursday night by the chamber of commerce of this city, the occasion being the dedication of the asylum for incurables. The dedication exercises were very impressive.

Thompson, United States marshal for West Virginia, was toastmaster. Senator-elect Scott, Senator Elkins and other notable men were present.
